HOW DO I ORDER?

We highly recommend downloading the Grubhub app. to order ahead and skip the line. Simply search for a restaurant, order, and pay with your Meal Plan or credit card.

Several restaurants will also have Grubhub kiosks to order at the location including Cactus Grill, Chick-fil-A, Core, Einstein’s Bros. Bagels, IQ Fresh, On Deck Deli & Sabor. We have stylus pens that you can use to avoid touching the screen. Simply take a stylus from the sanitized stylus dispenser, use to select your order and dispense in the “to be sanitized dispenser”. Our team will sanitize used stylus pens for future guests.

You can also order in person from our dining employees.

We will have customer facing card readers to accept Meal Plans and credit or debit. Please note we are temporarily not accepting cash.

WHERE DO I PICK UP MY ORDER?

Waiting Areas: Waiting Areas: If you have ordered in person, there are Waiting Areas to allow for social distancing. Signage is posted to indicate where to wait along with monitors so you are aware that your order is ready.

Pick-Up Windows: Several locations also have pick-up windows that you can go to for your Grubhub order. These include Arizona Market, Einstein’s Bros. Bagels, Highland Market, Nrich Urban Market & Starbucks Bookstore locations.

Smart Locker Pick-Up: If you place a Grubhub mobile order from IQ Fresh or On Deck Deli, you can opt for a Smart Locker Pick-Up. You will be notified when your order is ready with the locker name and number. Scan your code and your locker will unlock for you to pick up or your order.

Mobile Pick-Up: If you place a Grubhub mobile order from Chick-fil-A, Core or Sabor, you can pick up your order at the Grubhub mobile pick up location in SUMC (temporarily renamed from The Scoop). WHAT ABOUT CAPACITY?

We are limiting the number of guests that can go in to a location at one time. We also have stickers on the floor to cue a 6 foot distance. Sensors are placed at doors for the SUMC Food Court to count the number of guests entering.

For those visiting ’85 North at Honors Village, we have a Grubhub reservation system to ensure we are not overcrowding the dining hall. Grubhub meal ordering to-go is also available at this location.
